Job description

Job title:	Field Support staff
Location:	Lesvos– 1 field support staff
Responsible for:	Lesvos
Reports to:	Project Nurse (1 st line manager) and project coordinator (2 nd line manager)
Working for:	“Increasing COVID-19 Mobile Testing capacities in Greece” Project of

Summary statement

Given the increasing spread of the COVID-19 epidemic in Greece, Hellenic Red Cross (HRC) is following a comprehensive COVID-19 Response Plan, within Red Cross Movement general epidemic response, aiming to support the mitigation of the virus spread and the health, social and economic impact of the epidemic on vulnerable population and/or communities. The project “Increasing COVID-19 Mobile Testing capacities in Greece”, is funded by DG SANTE, in agreement with International Federation of the Red Cross/Red Crescent (IFRC) and HRC is the implementing partner.

The support staff of the “Increasing COVID-19 Mobile Testing capacities in Greece” project, under the direction and direct supervision of the project nurse and the direction of the project coordinator, will support the project implementation in the targeted sites of various geographical locations according to project requirements. The project support staff will work as part of a team (including staff and volunteers) within the scope of the project and the mandate of the HRC and the IFRC.

Key tasks and responsibilities

- Support the implementation of the testing operation in each targeted site in various geographical locations, as per project guidelines
- Collect and record, electronically and manually, the necessary data for each person to be tested, according to set procedure, agreed protocols and project guidelines
- Assist in waiting area management and provide relevant instructions to ensure a smooth and safe flow of the targeted population waiting to have the test
- Ensure all necessary precaution measures against COVID-19 are being followed by the targeted population and HRC team members, at all times
- Keep accurate files and records, both electronic and manual, for each site and have them available for the due reports to be sent.
- Ensure confidentiality regarding any sensitive information concerning the targeted population
- Assist in the set-up and set-off of the office equipment prior to starting the testing operation
- Assist in the frequent monitoring of inventory records of all necessary supplies and the timely supply requests to HQs, to ensure that adequate quantities are available in the field to perform each testing exercise Other duties as assigned, if needed

Duties applicable to all project staff

1. Actively work towards the achievement of the project goals

2. Abide by and work in accordance with the Red Cross/Red Crescent principles
3. Perform any other project related duties and responsibilities that may be assigned by the line manager
