Unaccompanied Minors Shelter of Athens, Shelter C

ILLUSION IS ALL!

More than thrilled, the beneficiaries of HRC Shelter C' visited the Museum of Illusions, accompanied by the education service. They entered a world that almost drove them crazy and impressed them. A world which confused them but at the same time educated them. The beneficiaries had very interesting visual, physical and educational experiences and enjoyed themselves with the numerous optical, interactive and photographic illusions! They visited the Vortex Tunnel, they saw the Upside Down Room and they forgot about gravity and dimensions in the Infinity Room! After all, nothing is as it seems!

Unaccompanied Minors Shelter of Athens of Kalavryta

TRIP TO PLANITERO

The UAMsS of Kalavryta and all of its staff, having as a primary purpose and guideline the smooth social integration of its beneficiaries, carried out for this month, a psychosocial - educational excursion. On the occasion of the awarding of some diplomas from the participation of our children in Greek lessons held through the organization "Elix" and in conjunction with the above objectives, this excursion was organized in a neighboring area of Kalavryta.

We visited Planitero, a village very popular for its magnificent scenery, its springs and fish farms for trout. Our beneficiaries were amazed at the view of the plantain forest, which is crossed by the Aroanio River, played in the waters of the river bank, enjoyed and tasted trout at a local tavern and interacted with local people. After walking around the village and upon our return to the shelter, the three children proudly and enthusiastically received their diplomas.
