## HAPPY HALLOWEEN!

With great joy, the beneficiaries of HRC UAM's, Shelter C welcomed autumn with a Halloween activity, inspired by the passionate caregivers' service. The beneficiaries were informed on the Halloween custom, using photos and videos. After that, they were divided in two groups and they carved pumpkins, transforming them to the famous jack-o-lanterns and participating in an informal contest, in which everybody was the winner. At the same time, several sweets were made and the shelter was decorated properly for the occasion. A joyful party began, with music and sweets, much energy and spooky spirit!

## Unaccompanied Minors Shelter of Athens of Kalavryta

### TWO-DAY VISIT OF THE UAMSS OF PENTALOFOS

During this month an innovative and quite interesting meeting of two Centres for Unaccompanied Minors took place. The Shelter for UAMs of Pentalofos, made the honor to visit our city and our center and create unique moments with all the members of our institution, employees and beneficiaries.

This meeting included a two-day action planned through the joint partnership of the two structures. First, the Somali guests of the Shelter for UAMs of Pentalofos arrived in our city with their escorts, the first meeting with our guests took place and then all the members of the two institutions enjoyed a joint tour of the Museum of the Kalavrytian Holocaust, which is dedicated to both the history and the victims of the 13th of December 1943. Everyone was in awe of both the tour and the history of our region. Our day ended with a group dinner where the children had the opportunity to get to know each other better, share their experiences and have fun.

The next day hosted a joint exhibition and bazaar of paintings and jewelry, where all the creations of our children of both structures were presented and applauded by all those present. At the same time, an open discussion was held on the purpose and mode of operation of shelters for unaccompanied minors, the challenges they face on a daily basis and the role of the local community in the difficult part of integration. This action met a great success and paved the way for following events even more creative.
