of Red Cross and Red Crescent Societies

The President

Mr Andreas Mamadopoulos
President, Hellenic Red Cross

Geneva, 13 November 2018

Dear Mr Mamadopoulos,

Thank you for your letter received 7 November 2018. We have taken note of the decision of the Central Administration Board (CAB) to appoint you as the new President of the Hellenic Red Cross (HRC). I wish you every success in this endeavour on behalf of the International Federation of Red Cross and Red Crescent Societies (IFRC).

We hope that, under your leadership, the HRC will be able to act fast in the crucial months to come and complete the action plan agreed with the IFRC that will lead to recovery, so that the National Society will hopefully soon be reinstated as a member of the IFRC.

We trust that your CAB will be able to respond to this challenge and restore to your country the strong Red Cross that it needs and deserves. We are counting on the commitment of all the members and volunteers of the HRC to make every effort to change the situation.

The Compliance and Mediation Committee is ready to provide you with guidance and is monitoring developments as per the decision of the Governing Board of the IFRC.

Sincerely,

Francesco Rocca
